Notes

- Installer must call GM Techline Customer Support Center (TCSC) at (800) 828-6860 to set up module re-programming, prior to initiating a programming event.
- TCSC Note: When searching for calibrations in GPDS/APM, leave UPC prefix blank to search all prefixes
- Check eSI for most up to date version of Usage Matrix

DRE NOTES:

Update Areas in RED

Add/remove columns as necessary

Save as naming convention MY-Program Code-Models-Wheel Size Wheel Usage Chart (ex. 2019-K2-Silverad

When complete

Review in Accessory Integration meeting and move to Final folder on Sharepoint

Load usage chart spreadsheet into ESI through I Sheet Request site (<https://share.gm.com/sites/ga>
