

GET A UNIQUE VANTAGE POINT.

FRONT CAMERA SYSTEM BY ECHOMASTER®

For everything from off-road trails to dunes, rock crawling or even everyday parking maneuvers, the Front Camera System by EchoMaster® adds a unique vantage point. Mounted in the front grille and transmitting a real-time image to the instrument panel screen, it helps to enhance forward visibility below the hood line.

- Reduces the front visibility dead zone to just inches
- Improves visibility to allow for tight parking or maneuvering
- Allows for visibility during off-road or incline maneuvers to see over crests²

The system helps to reduce driving stress while enhancing driving safety, improving overall visibility and helping to reduce the risk of injury or collision.

PART #	PART NAME	VEHICLE	MSRP ³	INSTALL TIME
19366656	Standalone Front Camera Kit ⁴	2015-2018 Canyon	\$499	1.5 hr
